Subject:-Disposal of audit objections for the year 1943-44 and 1944-45 in Chickballapur Municipality.

...

Sir,

I have the honour to forward herewith the report of the President Town Municipal Council, Chickballapur dated 9th October 47 on the above subject and to state that the local Auditors who inspected the accounts of Chickballapur Municipality during the years 43-44 & 44-45 have objected to the payment of certain items of money as they were beyond the powers of the President and as that sanction of Competent authority was not obtained to the said items of expenditure.

The first objection is that Govinda Jetty who was in inferior service as peon of the municipal office was appointed to superior service as Toll-Indpector without obtaining sanction of Government The President reports that this official has since been promoted to superior service in G.O.L.10124-6 dated Ml.4-44-69 dated 10-4-45 and that he has been appointed as Maistry and therefore appointment from 23-1-44 to 8-3-44 and 4-7-44 to15-3-45 in superior service and absorption as Toll-Inspector may kindly be sanctioned by Government as a special case His absorption in a special vacancy under C R B. rules will be taken up.

The other objection is that the municipality has paid a sum of Rs.40-12-0 for the purchase of shoes, sandals and stockings to the cyanogas staff without obtaining sanction of Government The President reports that the infection at the time was very virulent and that to protect the special staff employed on this hazardous work was imperative ~~infection~~ and therefore he had to purchase these articles in an state of emergency. The expenditure on this item was incurred in the interest of work and also of the well being of the special staff.

The Municipal Council at their meeting held on 24-8-47 have considered these objections and resolved that the objections be recommended to Government for being waived I request you kindly to obtain sanction of Government to the resolution of the council dated

p.t.o.

dated 24-8-47 to waive these ~~xxxx~~ audit objections. The President has however been requested to be careful infuture and not to give room for such omissions as such irriguler expenditure will be surcharged to his personal account.

I have the honour to be,
sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District.
